Sister Miyamura
has started coming
over, I feel like
Sana has become
less pretty

Where's your
big brother?

He's my
brother!

And your
name is?

Ouyang
Yuanti

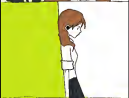

Yuanti chan. As
a girl, you're
pretty cute,
but you should
be nice too.

Quack

It was probably
to try deal for
Myamura

What
to do?

This
is so
embarrass-
ing

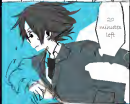

What
should I do?

So
em-
bar-
rass-
ing

She
shouldn't
be

It
was
a
deal

I made
something
today

That's
too
bad!

Well, it's
good that
you got
three

The perfect
dog-eared hat,
one with gold
and silver
and a collar
with my name
written on it.

I couldn't
make the
sage

Um...

That
means...

Yeah

Oh

I ran
into
someone.

you said...

Um...

The person
you call
"Yuki"

Oh? What
are you
talking
about? That
woman?

Me too, I want
to be the girl
and too sad
can tell this
help

How can
tell this

That you who
date things
like cock, and
okay with
really shaking
when you get
angry

And that
you don't
have
muscles

The real you,
who don't
care how the
world has far
at home

SHUT
UP!

If it's like
that, not
either

I don't want
others to see
you like that,
that...

Being that, he said

How you know? By the way, that guy
like was at your house yesterday
to our school, right?

What was why did you introduce me
to him, how a good guy, right?

What, the fact you don't have a
boyfriend, right? So you're not
dating him, right?

From this

But I know that

Sorry, I don't know who you're talking
about. There is no one like to you but the
only guy in my class is my little
brother. What, I think you're confused.
Huh?

What, I didn't realize it up
I don't understand you words.
I see him

What

That's impossible

You must have seen
something else.
Huh?

Hey, the bus is here, stop over the
it's a friend, you could at least give me a name.
What?

There's only one

Huh?

But the fact I would your
brother?

What?
